Brian Must is a founding Member of Metz Lewis Brodman Must O'Keefe LLC. He holds the distinction of being named yearly in The Best Lawyers in America publication, was selected by his peers as a member of the Academy of Trial Lawyers, and was the former chair of the Appellate Advocacy Committee of the Pennsylvania Bar Association. Brian serves on the firm's Executive Committee and is the chair of its Litigation Group.

Joshua Baker is a Member of Metz Lewis Brodman Must O'Keefe LLC. As part of the firm's Litigation Group, he has represented roofing manufacturers and contractors in alleged roofing failure and contractor error disputes. Josh has been recognized as a Pennsylvania Rising Star in Commercial Litigation each year since 2013.

Timothy Berkebile is an experienced construction attorney and commercial litigator. Tim regularly advises clients regarding construction delivery systems, risk allocation, contract terms, payment issues, and dispute resolution. His construction litigation and advising experience spans a broad spectrum of residential, retail build-out, commercial, and industrial construction projects.

Their experience includes:

- ✓ Negotiating and settling commercial roofing and general construction claims and lawsuits
- ✓ Trying cases involving alleged commercial roofing systems and contractor error
- ✓ Dispute resolution and litigation avoidance
- ✓ Litigating bond, mechanic's lien, and prompt pay act claims
- ✓ Extensive roofing and construction industry knowledge
- ✓ Overall claims management: Effective warranty language, contracts, policies and procedure development
- ✓ Representing commercial roofing manufacturers, building owners, design/build firms, design professionals, and roofing contractors
- ✓ Outside general counsel services
